the said Defendant, Eslie S. Conway, conceived the idea that the Defendants were not vested with fee simple title to said land, going to the extent of endeavoring to file and perfect a land |claim with the Land Office of the State of Maryland, at Annaphis, and, in addition, the said Defendant or Defendants, to wit on or |about April 2, 1960, became trespassers upon the lot of land of these Complainants, by going upon and moving upon said land large |articles and vehicles, many of which still remain upon the land of these Complainants, although these Complainants on a number of occasions have demanded that the Defendants remove all of said articles from said land to desist from treapassing upon the land and premises aforesaid, bein g the property of these Complainants, all to no avail, and the Defendants still continue to trespass and maintain and keep the said articles, machines, &c., upon the land of these Complainants, all of which has caused damage to these Complainants, interference with their lawful and proper use of same and constitutes and is tantamount to and is considered a |cloud upon the title of these Complainants, and unjustly and unlawfully interferes with their lawful possession and use of said land.

5. That your Petitioners aver that they and their predecessors in title have been in actual and peaceable possession of the land herein mentioned since 1880 and that such possession has been open and notorious, and that no claim has been made against their possession and claim, except the trespass and interference of said defendants, Eali S. Conway, et al., and that this Petition is filed under authority of Section 128, Article 16, of the Annatated Code of Maryland, to remove the cloud from the title of their parcel of land herein described, and enjoin the Defendants from trespassing upon the land of these Petitioners ordering the Defendants to remove all articles from said premises and restore these Complainants to their lawful use and possession and award just compensation for the trespasses and wrongs aforesaid, and
